Application of these Regulations

3. These Regulations apply to —

PART 2

PROOF OF DEBTS

Proof of debts

5. In a winding up by the Court, every creditor must prove the creditor's debt, unless the Court in any particular winding up gives directions that any creditor or class of creditors is to be admitted without proof.

Mode of proof

6. A debt must be proved by filing with the liquidator by any of the following means a declaration verifying the debt:

- (a) sending through the post;
- (b) any other means agreed between the liquidator and the creditor of the VCC or sub-fund filing the proof.

Verification of proof

7. A declaration proving a debt may be made by the creditor or by any person authorised by or on behalf of the creditor.

Contents of proof

8.—(1) A declaration proving a debt must be in accordance with Form VCC(CWU)-1.

(2) A proof of debt must state the following matters:

- (a) the creditor's name and address (including an electronic mail address, if available);
- (b) the total amount of the creditor's claim as at the date of commencement of the winding up;
- (c) whether the amount claimed includes interest within the meaning of section 222(4) of the IRDA and, if so —
 - (i) the amount of interest that has accrued from the date of commencement of the winding up;
 - (ii) the rate of interest; and
 - (iii) the period for which the interest was calculated;
- (d) whether or not the amount claimed includes goods and services tax and, if so, the amount of the tax;
- (e) the particulars of how and when the debt was incurred by the VCC or sub-fund;
- (f) the particulars of any security held by the creditor, the date on which the security was given and the value at which the creditor assesses the security;
- (g) the name, address and authority of the person filing the proof, if that person is not the creditor.

(3) The documents substantiating the claim specified in the proof of debt must accompany the proof of debt.

Costs of proof

9. A creditor must bear the costs of proving the creditor's debt unless the Court otherwise orders.

Discount

10.—(1) Subject to paragraph (2), a creditor proving the creditor's debt must deduct from the claim all trade and other discounts that would have been available to the VCC or sub-fund but for the VCC's or sub-fund's liquidation.

(2) The creditor is not required to deduct any discount (not exceeding 5% on the net amount of the creditor's claim) for immediate, early or cash settlement of the creditor's claim.

Periodical payments

11.—(1) Subject to paragraph (2), in a case where any rent or other payment falls due on a day of any stated period, and the winding up order is made on a day other than that day, any person entitled to the rent or payment may prove for a proportionate part of the rent or payment up to (and including) the date of the winding up order, as if the rent or payment grew due from day to day.

(2) If, in the case of the winding up of a VCC, the liquidator or the VCC remains in occupation of premises demised to the VCC, nothing in these Regulations affects the right of the landlord of the premises to claim payment from the liquidator or VCC, of rent during the period of the liquidator's or VCC's occupation.

(3) If, in the case of the winding up of a sub-fund, the liquidator or the umbrella VCC of the sub-fund remains in occupation of premises demised to the umbrella VCC for the sub-fund, nothing in these Regulations affects the right of the landlord of the premises to claim payment from the liquidator or umbrella VCC, of the proportion of rent allocated to the sub-fund as liabilities of the sub-fund under section 29(3) of the VCC Act during the period of the liquidator's or umbrella VCC's occupation.

Prescribed rate of interest under section 222 of IRDA

12. For the purposes of section 222(1) and (2)(b)(ii) of the IRDA, in an insolvent winding up of a VCC or sub-fund, the prescribed rate of interest allowed on a debt is the rate of interest on judgment debts provided for under the Rules of Court 2021 (G.N. No. S 914/2021) for the time being in force.

Proof for debt payable at future time

13.—(1) A creditor may prove for a debt not payable on the date of the winding up order, as if it were so payable, and may receive dividends rateably with the other creditors, deducting only from the dividend a rebate of interest at the rate of interest on judgment debts provided for under the Rules of Court 2021 for the time being in force.

(2) The rebate of interest is to be computed from the date of the declaration of a dividend to the date on which the debt would have become payable according to the terms on which it was contracted.

Proof of debt filed by licensed moneylenders

14.—(1) A moneylender licensed under the Moneylenders Act 2008 (called in this regulation a licensed moneylender) filing a proof of debt in respect of a loan made by the licensed moneylender as a licensed moneylender must, within 14 days after the date of filing of the proof of debt, file a copy of the following documents in respect of the loan:

- (a) the note of the contract for the loan, mentioned in section 33(1)(a) of that Act;
- (b) the statement of account mentioned in section 34(1) of that Act, that was last supplied to the VCC, or the umbrella VCC of the sub-fund, before the date of the order of the Court to wind up the VCC or sub-fund.

(2) A reference in paragraph (1) to a licensed moneylender filing a proof of debt is a reference to a person who, at the time the loan mentioned in that paragraph is granted, is a licensed moneylender, whether or not the person continues to be so licensed at the time the proof of debt is filed.

Employee's wages

15.—(1) In a case where it appears that there are numerous claims for wages by persons employed by the VCC, or the umbrella VCC of the sub-fund for the purpose of that sub-fund, it is sufficient if one proof in accordance with Form VCC(CWU)-1 for all the claims is made by a person on behalf of those creditors.

(2) The proof must be accompanied by a schedule (which forms part of the proof) that sets out the following information relating to each of the creditors:

- (a) his or her name;
- (b) his or her personal identification number or passport number;
- (c) his or her address;
- (d) the total amount owed to him or her, and the amount of each component of wages or salary owed to him or her.

(3) Any proof made in compliance with this regulation has the same effect as if separate proofs had been made by each of the persons employed by the VCC or umbrella VCC.

Production of bills of exchange and promissory notes

16. Where a creditor seeks to prove in respect of a bill of exchange, promissory note or other negotiable instrument or security on which the VCC or sub-fund is liable, the bill of exchange, promissory note, instrument or security must, subject to any order of the Court made to the contrary, be produced to the liquidator and be marked by the liquidator before the proof may be admitted either for voting or for any purpose.

PART 3**ADMISSION AND REJECTION OF PROOFS****Examination of proof**

17.—(1) The liquidator must examine every proof of debt filed with the liquidator and the grounds of the debt, and must in writing admit

or reject the proof in whole or in part, or require further evidence in support of the proof.

(2) If the liquidator rejects (whether in whole or in part) a proof filed by a creditor, the liquidator must state in writing in accordance with Form VCC(CWU)-2 to the creditor the grounds of the rejection.

Oaths

18. For the purpose of any of the liquidator's duties in relation to proofs of debt, the liquidator may administer oaths and take affidavits.

Creditor's proof that has been admitted

19. Where a creditor's proof has been admitted (whether in whole or in part), the notice of dividend mentioned in regulation 23(6) is sufficient notification to the creditor of the admission.

PART 4

DISCLAIMER

Notice of disclaimer under section 230 of IRDA

20.—(1) For the purposes of section 230(1) of the IRDA, the notice to be given by a liquidator to disclaim onerous property (called in this Part the notice of disclaimer) must be in Form VCC(CWU)-3.

(2) The liquidator must state in the notice of disclaimer that the liquidator disclaims all of the VCC's or sub-fund's interests in the property, and the notice must contain the following information or particulars:

- (a) the title "Notice of disclaimer under section 230 of the IRDA as applied by section 33(2) or 130 of the VCC Act";

- (b) in a case where the property is of a leasehold nature mentioned in section 231 of the IRDA — any person who is claiming under the VCC or the umbrella VCC (by way of the sub-fund) as sub-lessee or mortgagee mentioned in section 231(1) of the IRDA; and
- (c) in any case — any person who (to the liquidator’s knowledge) —
 - (i) claims an interest in the disclaimed property; or
 - (ii) is under a liability in respect of the disclaimed property, not being a liability discharged by the disclaimer.

(2) The copy of the notice of disclaimer may be served on a person mentioned in paragraph (1) —

- (a) personally; or
- (b) by prepaid registered post.

(3) If subsequently, it comes to the liquidator’s knowledge that any person has an interest in the disclaimed property that would have

entitled the person to receive a copy of the notice of disclaimer under paragraph (1), the liquidator must then as soon as reasonably practicable serve on that person a copy of the notice.

(4) Without affecting paragraphs (1) and (3), the liquidator may at any time serve a copy of the notice of disclaimer on any person who, in the liquidator's opinion, ought to be informed of the disclaimer.

- (b) send the notice to every creditor mentioned in the statement of affairs who has not proved the creditor's debt.

(2) The notice of intention to declare a dividend must specify the latest date by which a proof must be filed, being a date at least 14 days after the date of the notice.

(3) The liquidator must, within 14 days after the latest date for filing a proof of debt mentioned in the notice of intention to declare a dividend, in writing either admit or reject wholly or in part, every proof filed with the liquidator, or require further evidence in support of the proof.

- (a) the appeal must be commenced and notice of the appeal given to the liquidator within 7 days after the date of the notice of rejection against which the appeal is made; and
- (b) the liquidator must make provision for the dividend payable upon the proof and the probable costs of the appeal in the event of the proof being admitted.

(5) If no appeal has been commenced within the time mentioned in paragraph (4)(a), the liquidator must exclude the proof that has been rejected from participation in the dividend.

(7) If it becomes necessary, in the liquidator's opinion, to postpone the declaration of dividend beyond the period of 2 months mentioned in paragraph (1), the liquidator must publish in the *Gazette* a fresh notice of his or her intention to declare a dividend.

(8) The same procedure is to be followed in relation to a fresh notice of the liquidator's intention to declare a dividend mentioned in paragraph (7), except that fresh notice need not be given to any

creditor mentioned in the statement of affairs who has not proved the creditor's debt.

(9) A person to whom a dividend is payable may lodge with the liquidator a document in Form VCC(CWU)-5 to state that the dividend is to be paid to some other person specified in the document.

(10) A document lodged under paragraph (9) is sufficient authority for the liquidator to pay the dividend to the person specified in the document.

Return of capital to contributories

24.—(1) Unless the Court directs otherwise, every order of the Court that authorises the liquidator to make a return to the contributories of the VCC or sub-fund must contain or annex a schedule or list that is prepared by the liquidator and that sets out —
